The forum will include time for discussion and questions; the four student members will sing folk music, including their own songs about the Irish situation. DOUGLAS BAKER, who sponsors the event, spent the past 19 months in Belfast as an assistant chaplain at Queen's and in youth work with the church as a fraternal worker between the Presbyterian Church in this country and the Presbyterian Church in Ireland; this involved him with the Corrymeela Community as leader of a mixed group of 14 to 20 year olds.

3. Eminent Dutch pastoral psychologist FR. WILLEM BERGER will report on many recent European developments in the fields of pastoral theology, clinical pastoral education, pastoral care and related areas, evaluating and contrasting them with similar movements in the United States, specifically with the work and ideas of Anton Boisen. Professor Hiltner states: "Since [Berger] did rather extensive study in this country and actually wrote a book about his experiences here, he is very well qualified to present this kind of lecture. Outside the United States Berger's program for the doctor's degree at Nijmegen is the only program I know of in the world which is primarily oriented theologically but includes all the relevant psychological material." The lecture highlights Berger's three-day visit to the Princeton Seminary campus.

ANNOUNCEMENTS

YOUR ATTENTION IS DIRECTED TO THE DORMITORY REGULATIONS REQUIRING THAT DOORS TO DORMITORY ROOMS BE LOCKED AT ALL TIMES THAT THEY ARE UNOCCUPIED. This is for your benefit and the protection of your personal property. You are urged to comply with this regulation at all times. William E. Lawder.

Kerr in connection with his first-semester class, Symbolism and Theology. The film is concerned with two emotionally disturbed adolescents who meet in a psychiatric clinic: David cannot permit anyone to touch him; Lisa speaks only in verse. Dialogue mingling with dreams leads to a dramatic final confrontation which some critics have termed redemptive and others have branded sentimental.

The Christian Brethren confined at RAHWAY STATE PRISON are searching for Christian musical groups interested in a special Christmas service of worship in song. Eugene Guessford (#53120) is trying to prepare a schedule for the event. If you know of any group which might be interested, write Mr. Guessford at Lock Bag R, New Jersey State Prison, Rahway, N.J. 07065. PLEASE GIVE THESE MEN THE ATTENTION THEY SO DESPERATELY NEED.

PERSONAL FINANCES FOR MINISTERS: Reserve the evening of OCTOBER 16 to hear this discussed by DR. HERBERT SMITH (Northeast Coordinator) and DR. ARTHUR BROWN (President), United Presbyterian Board of Pensions. They will make a brief presentation and answer questions about the pension fund, personal income tax, and other personal financial matters. EVERYONE IS INVITED to come to the Campus Center Auditorium, 8 P.M.--Tuesday--October 16.

Valerie Pohlhammer.

VIEWPOINT CONTRIBUTORS: Copy for this year's VIEWPOINT will be accepted at Room 201, Hodge Hall. Articles of current interest, as well as literary pieces, are welcome. The goal is to create a campus opinion magazine which will be a source for ethical reflection and decision making for students and other people related to the Seminary. *We solicit your interest, support--and work.* Harri Hedgbeth, *Editor.*

STUDENT ELECTIONS NOTICE FROM THE STUDENT COUNCIL:

FALL STUDENT ELECTIONS will be held on Monday, October 8. One Junior and one Th.M. representative to the Student Council and 10 student representatives to the Seminary Conference will be chosen.

The Student Council, a group of equal members, coordinates student activities, represents students in contact with the faculty and administration, and facilitates student involvement in non-Seminary activities.

The Seminary Conference is empowered to discuss any matter relevant to the life of the Seminary and to make recommendations to the administration. As a tripartite forum of faculty, students and administrators, the Conference has considerable effect upon the life of the Seminary.

The Th.M. representative elected on October 8 will represent the program on the Council, as well as the Conference. Although the M.Div and M.A. student representatives to the Conference will be elected at-large, one MUST be from the M.A. program.

Nomination to an elected office is made by petition from the candidate, signed by 15 members of the group to be represented. Petitions will be available Monday, September 23, in the Student Government office, Room 20, Campus Center; in the Cafeteria during meals; and from Roger Watts, 300 Hodge Hall. An individual may be nominated for no more than one (1) Student Council office, but may run for both the Conference and the Council. Each petition, signed and accompanied by a 50-word-maximum biographical sketch, must be returned to Roger Watts or the Student Government office by Friday, September 28. Polling times and places will be announced at a later date. Any member of the student body who belongs to the category of students which he/she seeks to represent and is not on academic probation is eligible to run for office.

We urge every student to run for elective office. Interest counts at least as much as past student government experience. The opportunity for student representation in the Seminary decision-making process is extensive and important. Only silence can murder that chance. J. Roger Watts, for the Student Government.

COACHES' CORNER

WELCOME BACK, SPORTS FANS, to what we hope will be another year of athletic fun and competition at Princeton Seminary! Both of your Athletic Directors--Dave VanderZwaag and Mark Laaser, look forward to seeing the whole Seminary Community, men and women, participate in our programs. Above all, never forget to check your weekly *Wineskin* for future activities and reports of past ones.

To paraphrase Saint Paul, don't forget that your body is the temple of your spirit. Many of us who have participated in sports all our lives, and especially here at Princeton Seminary, have found that exercising both the mind and the body goes a long way in producing all-around health.

We have had a tremendous start to the year this summer. Those of us who stayed around formed a softball team and entered it in the University League against graduate and

[Continued, page 5.]

research divisions of the University. From a slow (4 - 5) start, we began to gather momentum and hitting and have now won 8 games in a row, putting us in the championship game, to be played some time next week. We have already beaten our opponents once and hope to do it again, to take the title.

Next week, of course, we continue our very own answer to the Thirty Years' War, otherwise known as Intramural Football. This year we have six teams and have divided them into two leagues, the AFL (mostly single students) and the NFL (mostly married students). Each team will play all of the others, and we will have a championship game between the two division winners in November. *For scheduling, please check the calendar section of* The Wineskin.

If you do not have a team but would like to play for one, following is a list of coaches whom you can contact: Alexander Alligators, Brad Mather (924-8194); Brown Bombers, Steve Liewer (921-9773); Erdman-Hodge, Bill Paterson (924-6298) or John Wall (934-8322); North Neptunes, Ed Borycz (924-0943); Princeton-Windsor Warriors, Deal Hudson (452-7028); and Independents, Malcolm Laing (452-9585). For rules, practices, equipment, times and places, see your coach.

We hope to offer some new sports this year, all of which we have not room to list here. We will make the offer that, if you have a special interest in forming a tournament in a particular sport that we haven't planned, we will help you publicize and/or finance it.

To our regular intramural program of football, basketball and softball, this year we will offer co-ed volleyball. This will be organized soon, and the teams will probably play on either Tuesday or Thursday evenings. Each team will be made up of at least 3 women and 3 men playing at all times. If you would like to organize a team, submit your list of members to either Dave or Mark in the next few weeks.

We will also organize tournaments this year in addition to the annual three-man basketball tourney. We will begin with an informal golf contest. (Next week there will be a sign-up sheet in Stuart Hall.) It will consist of two-person teams. Teach will play 18 holes at Springdale Golf Course between Monday, October 8, and Friday, October 12. On your honor, report your scores to Dave or Mark, and a trophy for the low combined score will be awarded. We will try to set this up with Springdale for a possible special rate. If not, you can play on Monday or Thursday at the special discount rate of $3.00 Otherwise, it will cost you $5.00.

This year, as in the past, we have made arrangements with Princeton University to offer tickets to all their home football games, at a discount rate. Tickets for each game will be on sale Monday through Thursday before the game, for $2.00, and can be picked up at the information desk (telephone desk) of the Seminary's Administration Building.

In a future issue we will try to elaborate on sporting events and possible activities in Princeton. As most of you know, the Seminary does own a gymnasium (on Hibben Road across from the North-South-Tennent complex). Facilities include a basketball court; handball, paddle ball and squash courts; a weight room; and locker and shower facilities. For a key, see the list which follows. The gym is open every day, except Sunday, until 10 P.M. If you have an outside group and wish to reserve the gym, please make your arrangements with Mr. Clarence Reed, Director of Housing.

FIRE UP!! LET'S HAVE A GOOD YEAR.

Dave and Mark.

ANNOUNCEMENTS

COURSE SELECTION REPORTS DISTRIBUTED

Course selection Reports for this semester which reflect the changes made during the first two weeks of the term are now available. Students who live off campus in non-Seminary housing will receive theirs through the mail boxes in the basement of Hodge Hall; students living on campus will receive theirs through the campus mail system; and students living in Princeton-Windsor Apartments will receive theirs at home by special messenger service. The courses listed on this report will be those for which we will solicit grades for your transcripts at the end of the semester. *WE URGE YOU TO CHECK THE REPORT CAREFULLY AND TO NOTIFY THE OFFICE OF PROFESSIONAL STUDIES OF ANY DISCREPANCIES BY OCTOBER 11.*

An interesting statistic, which underlines the value of the availability of this kind of free course exchange, is that slightly over one-third of the courses for which the students originally registered were changed during the first two weeks of the semester.

HARVEST FESTIVAL COMING UP!! The Harvest Festival is scheduled for October 20. SET THAT DATE ASIDE. CHECK NEXT WEEK'S *WINESKIN* FOR SPECIFICS. Bill Grimbol.

COACHES' CORNER

FLASH! The P.T.S. Softball Team captured the 1973 University League Chapionship. The title was won Wednesday, Sept. 26, at Pardee Field, with a 10-6 victory over the Guggenheim Research Division. THIS WAS THE SEMINARY'S 9TH WIN IN A ROW, TO BOOST THE SEASON RECORD TO 13-5. The league crown now returns to this campus after a two-year absence. (The 1970 team also won the championship.)

WE CONGRATULATE: COACH DEAL HUDSON, ASSISTANT COACH MARK LAASER and the rest of the 1973 team--Malcolm LAING, Robert LEE, Chuck LAKE, Dick RAMSEY, Randy BREMMER, Bill SPEERS, Don LUIDENS, Mike MEYERS, Tom DUNLAP, Dave VanderZWAAG, Dave HICKS, DAve CASSEL, Henry GOODSPEED and Glen RAINSLEY.

We had fun all summer, a lot of good plays, a lot of bad ones; a lot of arguments with umpires and the other teams; a lot of satisfaction. One comment we enjoyed all year long from our opponents: "These guys are from the *Seminary?*"! We had a lot of heros who will have to remain unsung here, but we could not faithfully describe the events of this summer without a brief account of the mystical powers (if you will, divine intervention) which seemed continually with us. Frequently a large, ominous rain cloud overhead spouted lightning at the right moments. One game was ended prematurely by rain--just when it looked as though the other team might rally to beat us. The most unusual moment, however, came in the championship game. [The following is a true story. ed.]

In the fourth inning Malcolm Laing was up to bat, with two out and two runners in scoring position. At the moment Malcolm stepped to the plate a dove landed on several telephone wires directly over his head. Those on the sidelines remarked jokingly that this was a sign from Heaven. Malcolm proceeded to hit a pop foul on the first pitch that was caught by the catcher. This would have been the last out of the inning--except that it was noted that the ball had grazed those telephone wires on which the dove was sitting--to become, under league rules, a dead ball. On the next pitch Malcolm singled, driving in two runs. Divine Intervention? We leave you to draw the metaphysical conclusions. But, finally, consider that our last two runs came when their centerfielder--one of the best players in the league--dropped an easy fly ball. These two runs, combined with the two that Malcolm drove in, gave us our four-run margin of victory. *If you don't believe any of this--and, frankly, we wouldn't blame you for doubting--ask to see the home movies of the game.*

SEVERAL QUICK REMINDERS: Don't forget, you can sign a two-man team up for the fall golf tournament; sheet posted in Stuart Hall.

Start organizing those co-ed volleyball teams EARLY.

Any questions of any nature--call Mark (921-2176) or Dave (921-3760.

COACHES' CORNER

The sun-drenched confines of beautiful Mercer Street Field saw the opening action last week of 1973 Princeton Theological Seminary Football. The play was fast, furious and bruising, as a new form of play--flag football--was initiated.

The opening game saw an exciting climax, when Brown Hall scored the go-head touchdown in the final 30 seconds, to beat the combined forces of Hodge and Erdman, 16-8. OMAR LAMBRITE stood out for the Bombers, passing for their first touchdown and running for the second. Hodge-Erdman scored on a pass from GEORGE ben-FROWMAN to JOHN "DUKE" EARL.

In the second game the North Hall Neptunes got revenge over the Alexander Alligators for two defeats in the last two years, by beating them 6-0. The lone score in the game came with a completed pass to ROBERT LEE in the end zone. The Alligators, suffering from the loss of many key players, could not generate their offense in their first game.

The final set was the most aggressive, as the newly formed Independents team stormed over Princeton-Windsor, 19-6. The Independent running proved to be too much for the haggard men of P-W. DICK RAMSEY passed to JEFF NASLUND for the first Indie score; MARK RICHARDSON ran for the second; and NASLUND intercepted a pass for the third. The lone P-W score came on a DEAL HUDSON run. A group of New York Jet scouts, come to find a new quarterback, but unimpressed, selected our star of the game: JEFF NASLUND, who scored one offensive and one defensive T.D.

There has been much controversy over the new flag football. Instigated by complaints from several players, a vote was taken of the teams; by a 5 - 1 decision the flags will remain in use. *After one game, the COACHES' CORNER is going to stick its neck out and pick the INDEPENDENTS to take this year's title, with possible trouble from Brown and North.*

INTRAMURAL VOLLEYBALL FOR MEN AND WOMEN will begin November 6 and be played on successive Tuesday nights through December. Get your team rosters in to Dave or Mark at least one week in advance.

NOTES

1. THE SEVENTH SEAL is open to the public, free of charge. Set in medieval Sweden, this Ingmar Bergman film traces the homeward journey of Antonius Block, a knight returning from the Crusades during the Black Death. While society collapses around him and religion becomes fanatic, Block plays a game of chess with Death to protect people traveling under his protection. The presentation is under the direction of the Reverend Dr. Hugh T. Kerr, in con - nection with his class Symbolism and Theology.

2. SAUL ALINSKY WENT TO WAR: Alinsky is shown in action, both in speeches and in leadership of the FIGHT organization in Rochester, New York, in 1964. It is a good introduction to the man and to his philosophy of social action. Shown as part of CS01 course, it is open to everyone interested. Dean Hoge.

3. STUDENT COUNCIL CONCERNS: Virstan Choy will be in his room (303 Alexander Hall) every Wednesday morning from 9:30 to 11:30 to talk with anyone about Student Council Concerns. J. Scott Patterson.

4. GUENTHER BORNKAMM has described the New Testament as the "charter" of Christian faith, a faith to which he feels the writings themselves give a variety of testimonies and which is still open to new understandings. His latest work, "The New Testament: a Guide to Its Writings has been called "a handbook for laymen." Born in Görlitz, Germany, he studied at the Universities of Marburg, Tübingen, Berlin and Breslau, receiving a D. Theol. from Marburg. After four years as a lecturer at the Universities of Königsberg and Bethel, he was appointed professor at the University of Göttingen, where he remained until 1949, when he went to Heidelberg. Among those of his works which have been translated into English, two--"Jesus of Nazareth" and "Paul"--are regarded as classics in the field.

5. PUMPKIN CARVING CONTEST: Children ages 8 - 12 from the Seminary community are eligible. Only 10 contestants can be accepted, so contact Betsy Fowler, 921-3126, or Bill Grimbol, 303 Alexander Hall, as soon as possible. Prizes will be awarded at the International Banquet which follows. COACHES' CORNER

Several quick but important announcements: INTRAMURAL VOLLEYBALL WILL BEGIN the week of November 5 - 9. Please submit your team roster and name to Mark or Dave a week earlier. Include also, please, your preference for Tuesday or Thursday night. We will try to accommodate all teams. * * * * * * * * * * * * * * * *There will be an informal THREE MILE RUN on Tuesday, Oct. 23, starting at 4:30 on the center-campus green. Appropriate refreshments will be served all who finish. Dave Suorin has mapped out a course. This will be a tune-up for the Second Annual Spring King's Inn Run. * * * * * FOOTBALL TICKETS FOR THE PRINCETON-COLGATE GAME can be picked up until noon on Friday, Oct. 19, at the switchboard. * * * * *WINNERS OF THE FALL GOLF TOURNAMENT: Val "Supertex" Fowler and Ron "In the Rough" Cattone. Fowler carded an 88 and cattone a 101 to win the tournament with a combined 189. * * * * *FOOTBALL ACTION LAST WEEK saw two lopsided wins and one close contest. In the first game the wounded P.W. Warriors were steam rolled by the much-improved NORTH NEPTUNES. For P-W it was their second straight loss, to put them out of the running this year. North N. looked good, led this year by quarterback KIM NELSON. Nelson ran for two touchdowns and passed to MARK LAASER for the third, to roll up a 20-0 shutout. * * *In the second game the overpowering Independents took care of Brown, 26-0. DICK RAMSEY passed twice to JOHN HERSHEY, once to JEFF NASLUND, and MALCOLM LAING scored the last TD on a run. Brown, which has a good team, found out how hard it's going to be to stop the Indies. * * * In the day's thriller, Erdman-Hodge came close to upsetting Alex, but failed, 19-18. Erdman-Hodge had several chances late in the game, but failed to convert their opportunities. Credit goes to both coaches for fine teams and a well-played, well-spirited game. * * * The Philadelphia scouts were on hand, looking for some defensive players and said they liked KIM NELSON, this week's star of the game, but North would hear no talk of a trade. *Mark and DAve.*

His compositions have been commercially recorded by Yehudi Menuhin and other musical notables; two of his operas were performed by the Metropolitan Opera Company at its 1967 Newport Festival. A noted performer, he has appeared as piano and organ soloist under the batons of conductors Barbirolli and Boult in premier performances of his own works. During the 1971-72 season, after serving two semesters as composer-in-residence at Westminster Choir College, he was introduced to the American public in two organ recital tours and a series of lectures and workshops. The author of numerous liturgical works for choir and congregation, he is a firm believer in total involvement of audience with regular performers. His presence on campus is sponsored by Kenneth E. COACHES' CORNER

We have already witnessed some volley ball teams practicing for the upcoming season, and some of them look pretty touch. We hope that all of you will get fired up and get on a team--or start one of your own. All you need are three men and three women, and you're set for some good competition. Please get your rosters in to either Mark or Dave via the campus mail.

If you're looking for a youth group activity, try going to a Princeton University football game. Tickets can be purchased for $1.00 (one dollar) at the administration building switch board the week before the game. Teach your kids about Charity as you watch the Tigers dish it out to their opponents.

In SEMINARY FOOTBALL last week, the pre-season favorites rolled on to other victories. First, last year's champs got beaten by a few of their old team mates on the Independents, 26-6. Again it was the superior offense of MALCOLM LAING and his men, as they ran and passed for the win. All Independent TDs came on passes from DICK RAMSEY to JOHN HERSHEY, JEFF NASLUND and MALCOLM LAING. The Alex score came with a GRIMBOL to HUMPHRIES pass.

In a close game P-W scored first on a pass from DEAL HUDSON to TOM DUNLAP, but saw Brown come back with touchdowns by a JOHN EARL run and a BRIAN KUTCHER to MIKE LIVINGSTON pass, to win 12-8. Brown is vying hard for the AFL title and P-W is having its worst season in several years, going into this week without a win.

In the final game Hodge-Erdman, a much improved team, could not keep up with North, a more improved team, and lost, 26-6. The lone H-E score came on a pass from LOUIS LEON to BARRY CARNINE. North scored on the running and passing of KIM NELSON, GORDON KISSEL cathing the

pass that proved to be the game winner. If North can get by Brown this week, it will be the only team with a decent chance to halt the Independent Juggernaut.

This week's Star of the Game: DICK RAMSEY. To him we are presenting a prize for his accomplishment--an autographed picture of George Blanda.

COACHES' CORNER

We know there is a lot of enthusiasm for volleyball out there, so we hope you won't let too much longer go by before you submit your team rosters. You can call them in to Dave (921-3760) or Mark (921-2176) by Monday, November 5, at 12 noon. On Tuesday, November 6, we'll have our first organizational play at Whitely Gymnasium, at 7:30 P.M. This can be a lot of fun and a good chance for all of you to get some good competition. It's going to be run just like our other intramural programs--and there will be a CHAMPION!!!

All of you interested in basketball come out to a BB get together, Thursday, November 8, at 7:30 P.M., in the gym. Wel'' play and talk about varsity and intramural competition.

Quickly, here are last week's football highlights: An intimidated Hodge-Erdman couldn't field a team and forfeited to the Independents. P-W played an exciting game with Alex. Both teams fought back and forth for the lead, with Alex finally winning, 26-21. P-W scoring: HUDSON to DUNLAP - 6; HUDSON run - 1; HUDSON to DUNLAP - 6; DUNLAP run - 6; HUDSON run - 2 = 21. Alexander scoring: GRIMBOL to HAROLD - 6; MATHER run - 6; SEARLE run - 6; GRIMBOL to HUMPHRIES - 2; MATHER run - 6 = 26.

Finally, North beat Brown in a raucus game, 18-6. The victory set up this week's battle of the undefeated, with North and the Independents. North scored on two KIM NELSON runs and a VANDER ZWAAG to KOPPITCH pass. The Brown score came when MIKE LIVINGSTON passed to RON LARGE.

The Princeton U. head coach was on hand to find some help for the Tigers and, after deciding that a group of All-Stars from the Seminary could beat the U, left dejectedly. This week's star of the game: BRAD MATHER.

NOTICES

BLOOD PROGRAM: My thanks to all of those people who gave blood last Wednesday. Seminary community personnel contributed 78 pints, about one-half our quota. This is excellent, keeping us properly divided between the Princeton Hospital blood bank and the bloodmobile.

NOW COMES PHASE II OF OUR PROGRAM! Students and employees who did not donate last Wednesday can participate next Tuesday, November 13, by being typed and recorded. This will be carried on in the Campus Center Foyer from 10 A.M. to 1:30 P.M. It takes only a few minutes, but establishes your willingness to donate at Princeton Hospital upon reservation.

The Student Government officers are cooperating wholeheartedly with this program and have appointed a committee to serve as liaison between the Seminary community and the Rec Cross, who will set up reservations.

If you were typed previously and are already on our records, you need NOT do so again--just be ready to donate when a reservation is established.

REMEMBER: This program provides FREE BLOOD FOR THE SEMINARY COMMUNITY as needed, providing that we maintain a 20 percent participation. The following are eligible, upon application to either Mr. Lawder or myself:

MARRIED PERSON: Self, spouse, dependent children, parents, grandparents, spouse's parents and grandparents

SINGLE PERSON: Self, parents, grandparents and legal dependents.

Clarence E. Reed, Co-Chairman, Blood Donor Program

BICYCLES: Now that we have completed the better bicycle storage room in the basement of Hodge Hall, your cooperation is asked in keeping it orderly.

There are three bikes improperly locked to steam lines; please correct this situation promptly, for the benefit of all. There is also one bicycle locked to the railing in Erdman basement; please remove this to the rack provided for Erdman. Thank you for your cooperation. Clarence E. Reed, Director of Housing

THE SEMINARY CONFERENCE at its November meeting appointed a committee of persons with differing views to review a proposal that classes be suspended on Good Friday and to report at the December meeting.//There was also a full discussion of the core group plan now under sondieration by the Academic Review Committee.//Dean Adams reported on the follow-up which has been made to last year's Task Force on Counseling, and the Trustee Communication Committee was reappointed.//The next meeting of the Conference is December 13. Matters to be considered MUST come to the Executive Committee which meets on Thursday, November 29, either directly or through your representative(s). L. Charles Willard.

PRINCETON-WINDSOR RESIDENTS: The Student Government has been asked about the transportation difficulty to and from P-W. The present informal transportation system works quite well; students, faculty and staff living there have been generous in giving students rides in and back. The white shed at the corenr of Emmons and Wheeler is the pick-up point for rides to PTS; it works best in the morning. The pick-up point for rides back to P-W is the corner of Alexander St. & University Place. The most difficult hours are during Wednesday and Friday afternoons. Check with faculty/staff who live at P-W to work out an acceptable arrangement. If the problem continues, see a Student Government officer--and we shall again address ourselves to the situation. J. Roger Watts.

THE SHORTER CATECHISM EXAMINATION: Monday, December 10, 7:30 P.M., Seminar Room, Miller Chapel basement.

Sign-up sheet is posted on the bulletin board in the Chapel basement. D. Macleod.

MEETINGS ABOUT PRESBYTERY STANDARD EXAMINATIONS: COMMITTEE MEMBERS TO VISIT.

Dr. Charles C. West, a member of the Presbyteries' Cooperative Committee on Examinations for Candidates (for ordination) in the United Presbyterian Church, has arranged for the Chairman of the Committee, the Reverend Richard H. Middlers may wish to make inquiries about the English Bible examination. United Presbyterians of all classes will be welcome throughout the afternoon and may, in addition, make individual appointments at that time.

Messrs. Stearns and Hulac will also meet with Faculty members in conferences arranged by departments. Arthur M. Adams.

COACHES' CORNER

The fifth straight sun-drenched Wednesday last week saw the conclusion of the 1973 intramural football season, with three crucial games. In the first Alex met Brown for the AFL championship. In an extremely close, well-played game, the score wound up an 8 - 8 tie. BILL GRIMBOL threw to BOB SEARLE for the T-D; a second pass to CULLEN HAROLD added the extra 2 points. The tie gave both teams equal records, but on the basis of total points scored during the season Alex was awarded the title.

In the big game of the day, the battle of the undefeated, the powerful Independents proved to be too much for the North defense, winning 24 - 12. North scored on a pass from GLEN RAINSLEY to GORDON KISSEL and another from KIM NELSON to DAVE VANDER ZWAAG. The Indies scored on a run by MALCOLM "LIGHTNING" LAING and on passes from DICK "RAMBLING" RAMSEY to JOHN "HANDS" HERSHEY and LAING. All extrapoint attempts were successful on passes to HERSHEY. The Indies' undefeated season makred the first successful season by an expansion team in the history of PTS football.

In the last game the battle for another perfect season, no wins, Hodge-Erdman again failed to field a team and forfeited to P-W. In an exhibition match, P-W did defeat a group of North and Hodge-Erdman players.

Last week's STARS OF THE GAME were selected by Bryndon Byrne, "The man who couldn't be bought," who was campaigning in Princeton. His obvious vote-getting charity was evidenced by his selection of MALCOLM LAING and JOHN HERSHEY. (At press time we have learned that Mr. Byrne maintained his integrity despite repeated attempted bribes by D. V-Z.)

It looks as though we'll have EIGHT CO-ED VOLLEYBALL TEAMS for this season! Official play will begin 13 Nov. A schedule will be posted in Stuart Hall and the residence halls.

VARSITY BASKETBALL PRACTICE begins Monday, 12 Nov. All are welcome to come; there will be NO CUTS. We will play other seminaries, as well as industrial and prison teams.

The THREE-MAN BASKETBALL TOURNAMENT will be on Thursday, 4 Dec. Start thinking about whom you'll play with.

NOTES

1. THANKSGIVING BANQUET--open to Seminary Community. Roast Whole Turkey and all the trimmings, served family style. ENTERTAINMENT!! Non-Boarders, $2.00. NB: DINNER WILL BEGIN PROMPTLY AT 5:30 P.M.!!

2. From the *Wall Street Journal* (14 Sep 73): "Over the next 12 months there may be from 10 million to 30 million incremental deaths [in Chad, Niger, Mali, Senegal, Upper Volta, Mauritania] as a result of starvation and of disease rendered fatal by malnutrition. Only a large effort by the fortunate minority of developed, well-fed nations can prevent this disaster." Princeton Seminarians, organizing to assist in the relief of the famine victims, have set Tuesday, November 20, for a one-day fast. All money which normally would buy their food will be placed in a special fund to be forwarded to the governments of the affected countries through RAINS-IFCO (Coalition of Black Organizations for Africans in Need). Those who do not board at the Seminary are contributing checks equivalent to their one-day food costs.

The fast will be broken at 7 o'clock, with a special Service of Holy Communion in Miller Chapel. [See calendar, above.] The service will center around thanksgiving for sustenance, as opposed to giving thanks for abundance, using the traditional five kernels of corn as a symbol. Ms. Laura Loving, Junior student, has been a principal organizer of the project.

3. SEMINARY WIVES' FELLOWSHIP: Janet Ayer is the hostess for this evening's program--sharing Thanksgiving recipes.

The Fellowship is combining two activities to meet the needs and interests of all: The 2d and 4th Tuesday of each month will be devoted to Bible study; the other Tuesdays will be informal get-togethers. We will study PRAYER through Christmas, examining such questions as What is prayer? Why should we pray? Does prayer make a difference in what happens? Other future activities include making Christmas decorations. Joy Baird.

FAITH IN FANTASY will be brought to Princeton Seminary on November 28 by "The Clown"--the Reverend Floyd Shaffer of Abiding Savior Lutheran Church, Ellicott City, Maryland--and his associates, who will lead the 10 A.M. worship service in Miller Chapel. In Wednesday afternoon workshops the Clowns will set up a mini-exposure to "faith in fantasy": praying in the physical, communicating without words, celebrating, all with the assumption of some form of Biblical theology and Christian worship background. This part of the program will take place in the Campus Center, beginning in the Main Lounge.

In a 7:30 evening service in Miller Chapel the Clowns will lead the community in a liturgy incorporating all parts of historic liturgy, in clown technique and a eucharistic celebration. Members of the Seminary community and their friends are invited to join in this experiential event.

URGENT ANNOUNCEMENT

THE REVEREND DR. CLINTON MARSH, MODERATOR OF THE 185TH GENERAL ASSEMBLY, UPUSA, will speak at the Kingston Presbyterian Church on Monday, November 19, at 8:15 P.M. A question and answer period will follow, led by the Reverend JAMES L. MECHEM (58B), Moderator of the New Brunswick Presbytery and former Pastor of the Kingston Church. The Princeton Seminary family are warmly invited to attend and participate.

COACHES' CORNER

The wind-swept frigid confines of Mercer Street Field set the scene last week for the second annual John Calvin Bowl. Two main exponents of Calvinism--the Princeton Presbyterians and the New Brunswick Seminary's Reformed--do battle each year to determine who has more faithfully interpreted The Word. This year the devout men of Princeton soundly thrashed their Reformed brothers (18 - 6), once more demonstrating that right thinking conquers all.

Standing fast to their rigorous moral principles and "instituting" their plays carefully, the Princeton team, made up to a large part of North Hall's Neptunes and a few men from the other intramural squads, were in control of the game from the start. KIM NELSON, controversial Neptune quarterback, ran for the first Princeton score, forcing the Reformed coach to send one of his players back to the cars for unholy expletives. DAVE VANDER ZWAAG, himself a renegade member of the Dutch Reformed Church, threw to BILL HUMPHRIES for the two extra points. The second PTS score came when CLINT McCOY demonstrated the true art of collection taking by intercepting a New Brunswick hand-off in the NB backfield and running for 6 more points. A NELSON-HUMPHRIES pass tallied the extra 2. The final PTS score came on a safety. The lone New Brunswick score came when this reporter got caught thinking about what to write for the next issue of *The WIneskin*.

The New Brunswick team fielded about half their student population--15 men--for this game and were bent on revenge for last year's 35-0 humiliation. The score would have been worse this year, but only nine of the Princeton players managed to get fired up for the contest, and their best men just weren't there. The Reformed men played with passion, as indicated by a trip registered to GORDON KISSEL on the first play of the game. When a colleague came up to inquire whether he was all right, Kissel stated: "Here I sit, I can do no other!" *It must be admitted that in the field of humility the men from New Brunswick showed more capable than we.* We will look forward to their entry in our intramural basketball program.

VOLLEYBALL BEGINS THIS WEEK: CHECK YOUR SCHEDULES AND WITH YOUR COACHES FOR TIMES AND GAMES. IF YOU ARE NOT ON A TEAM AND WOULD LIKE TO BE, CALL MARK LAASER OR DAVE VANDERZWAAG.

THREE-MAN BASKETBALL!! THE TOURNAMENT WILL BE DECEMBER FOURTH. GET YOUR TEAM TOGETHER AND SUBMIT THEIR NAMES (AND 50¢) TO MARK OR DAVE.

HAVE A GOOD THANKSGIVING.

Mark & Dave.

NOTES

1. The Reverend CORDELL SLOAN, black pastor of a tri-racial Philadelphia congregation, is a graduate of Tennessee A and I State University and of the George Peabody A and I State College. He holds a Master of Divinity Degree from Louisville Presbyterian Seminary and a master's degree in psychology and mental retardation from Tennessee A and I. After serving pastorates in Lebanon, Tennessee, and Fairview (in the Presbytery of Louisville), he was appointed Academic Dean of Chattanooga City College, continuing as minister of Fairview. In 1965 he was called as associate pastor of Temple United Presbyterian Church in Ludlow, one of Philadelphia's most disadvantaged neighborhoods; he became pastor in 1969.

2. "The Clown" is the Reverend FLOYD SHAFFER of Abiding Savior Lutheran Church, Ellicott City, Maryland. He will bring Faith in Fantasy to PTS via a 10 A.M. chapel service; afternoon workshops in which he and his associate Clowns will set up a mini-exposure--praying in the physical, communicating without words, celebrating; and a liturgy incorporating all parts of historic liturgy in clown technique, including eucharistic celebration.

3. The annual MSW dinner is an opportunity for people interested in combining Master of Social Work with Master of Divinity programs to ask questions of both the Rutgers staff and students now in the program. If you are interested, PLEASE SIGN UP IN THE CAMPUS CENTER FOYER and make your dinner reservation. There is no charge for students. Spouses are also welcome, but there is a charge of $3.50 each for the dinner. A. D. Duba.

4. PAUL ABRECHT at present directs a world-wide study (for the World Council of Churches) on the responsibility of the churches in the face of rapid scientific and technological changes which are transforming human society and the physical environment. His lecture will report on this study; discussion will follow. Since 1948 this American Baptist minister has been Director of the WCC Office of Church and Society. In this capacity he has directed the work of the WC and its member churches in the area of Responsible Society, the Mission of the Church in Areas of Rapid Social Change (a pioneer study in the problems of third-world development and revolution) and, most recently, a dialogue with the world's leading scientists, economists and technologist on the Future of Man in an Age of Science-based Technology. He also planned and organized the World Conference on Church and Society in 1966 which proved a milestone in Christian Social Ethics. Charles C. West.

5. BRUCE L. BECK will be accompanied in this, his first recital in the Princeton area, by Ms. Mary Sweazey. His program, in tribute to Ralph Vaughn Williams, includes the entire "Songs of Travel" cycle and several of the composer's art songs. Also included are contemporary compositions by John Duke and Norman della Joio. Beck, a native of Kentucky, began formal music training when he was 10. By the end of high school he had mastered most of the woodwinds and was offered several musical scholarships. He turned to vocal work while at the Centre College of Kentucky, interrupting college to study music at the University of Vienna for 18 months. In 1971 he returned to Centre, graduating with a B.A. in Psychology.

[Continued, page 3.]

ANNOUNCEMENTS

ANNOUNCING A COURSE IN HYMNOLOGY, TO BE PRESENTED THE SECOND SEMESTER OF THE CURRENT ACADEMIC YEAR. The course is designed to acquaint the seminarian with the scope of CHRISTIAN HYMNODY at his or her disposal, its historical patterns and the environment from which it emerged. The classes, taught by Mr. Williams, will meet on Tuesdays, Thursdays and Fridays, 8:45 - 9:45 A.M. Kenneth Williams.

THIS YEAR'S STEWARDSHIP CAUSES

Princeton Seminary is a community of faith, with a concern for human needs. Its Stewardship Committee provides ways by which we, as a Christian fellowship, can help where help is greatly needed.

The drive for funds will come soon after Thanksgiving. The Committee wants to put before our Seminary community, students and others, the most urgent causes.

WHERE DO YOU THINK OUR SUPPORT SHOULD GO THIS YEAR?

The stewardship appeal has usually designated some specific objects and held a balance in reserve to care for emergencies, disasters and projects which come up during the academic year. Last year 50 percent of the funds were designated in advance for victims of the war in Viet Nam. The rest was assigned during the year. The 1972-73 giving went for: $450 to a hospital in North Vietnam; $427 to a hospital in South Vietnam; $200 to Afghanistan famine relief; $200 to St. Paul's Seminary in Kenya; $150 for the India church building of one of our students; $122 as a loan to an ill Seminary employee; $95 to the Plainfield Joint Defense Fund; $55 to East Asia Christian Conference; smaller amounts for various purposes. Gifts before last year went to youth centers in Princeton and Newark, Pennsylvania flood relief, the starving of Biafra and Bangladesh.

The Stewardship Committee wants suggestions of pressing needs which should be in this year's budget. Please give them immediately to a member of the Committee: Richard Armstrong, John Bruington, Clifford Cain, Sam Cooper, Alexander Getty, Cullen Herald, Esther Elizabeth Johnson, William Lawder, John McDowell, Scott Patterson, Dan Rabovsky, and George Sweazey.

"TOO LATE TO CLASSIFY": This week's WIVES FELLOWSHIP will be a Bible study at Mary Richardson's (2 Wheeler Way, B-7), at 7:30 P.M. Mary will lead a discussion on what the Lord had to say about prayer. PS: Start getting those home-made Christmas decorations ready for next Tuesday night. Joy Baird.

[Overleaf, please.]

COACHES' CORNER

NOVEMBER 13 WILL LONG BE REMEMBERED IN THE ANNALS OF PTS ATHLETICS. On that historic evening male and female Seminarians united to enjoy COED VOLLEYBALL. In the night's opener, the overpowering Sacrificial Lambs unmercifully executed the Runts 11-0, 8-15, 15-4. In an exclusive post-game interview, Manager DAVE MORELLI disclosed the secret of the Lamb's success: "We hit 'em high and we hit 'em low; if they got up, we hit 'em again," said Morelli.

In the second contest the highly touted Cookie & Co. rolled over the hapless Underhanders, 8-15, 15-8, 15-8; and in the evening's finale the Losers, true to their name, bowed to the famed Fighting Gnomes.

In an unprecedented move, the COACHES' CORNER has named a woman as star of the week: ANN ("THE LAMB") BRANDON earned the coveted award for her courageous out-spiking of big CLINT McCOY, a feat indeed above and beyond the call of duty.

THREE-MAN BASKETBALL will be played on Thursday, December 6, rather than December 4th. Please sign up your team on the Stuart Hall athletic board OR call Dave Vander Zwaag (921-3700) or Mark Laaser (921-2176). Deadline for entry is December 4!!!!!!!!!!!!!!!!!!

THE VARSITY BASKETBALL TEAM will practice on Wednesday, November 28. Our first game will be December 14, against Don Bosco College. NEW PLAYERS ARE NEEDED AND WELCOME. Dave/Mark

COACHES' CORNER

We had another exciting night of volleyball last Tuesday, as this sport seems to be catching on at PTS. In a game played Monday night, the Sacrificial Lambs rolled to their second victory by beating the Leaping Gnomes 15-8, 15-11 and 16-14. The Lambs look awfully strong and have their eyes on the championship.

On Tuesday the Losers showed the paradoxacality [sic] of their name by beating the Underhanders, 8-15, 15-3 and 15-8. MALCOLM LAING spurred his team on to the win with the ingenious strategy, "If you wanta win you gotta score!" In the final games of the evening Cookie and Co. trounced the Run and the Rest, 15-4, 15-11 and 11-15. This was also the second win for Cookie & Co, to tie them for the early lead. According to captain DOUG COOK "If we get the breaks and we stay healthy, we could go all the way." Where have we heard that before? A STAR OF THE GAME was not chosen, due to the absence of Co-Athletic Chairman Mark Laaser, in Chicago to try to arrange a basketball game with Moody Bible Institute. (Note: This game had not been arranged at press time due to "fundamental differences" between the teams.)

THERE IS NOW AN EQUIPMENT LOCKER in the gym. In it are basketballs, handballs and gloves, paddle rackets and balls, and squash rackets and balls. There is a combination on the locker, which is plainly marked ATHLETIC EQUIPMENT. If you wish to find out the combination, call DAve or Mark.

[Continued overleaf.]

The THREE-MAN BASEKTBALL TOURNEY will be played December 6. We must have received your team entry by December 4. Rules & regulations are on the Stuart Hall bulletin board; also you will find a sign-up sheet there.

If you are interested in setting up a paddle ball, squash or handball ladder and/or tournament, please contact Mark or Dave. Dave and Mark.

NOTICES

URGENT: Because of a rash of recent break-ins Princeton police caution residents to keep doors and windows LOCKED, especially those on ground floors. It is especially important that these security measures be observed during the holiday season.

IF YOU OBSERVE any suspicious actions on the part of strangers in any of the dormitories or other buildings, please report it immediately to the Business Office. Be especially alert for individuals who try dormitory doors and, when questioned as to whom they are looking for, give the name of a fictitious student.

William E. Lawder, Business Manager

CANDIDATES FOR ORDINATION IN THE UNITED PRESBYTERIAN CHURCH: Professor Charles C. West, a member of the Presbyteries' Cooperative Committee on Examinations for these candidates, has invited the Reverend Richard H. Stearns of Rochester, Chairman of the Committee, and the Reverend George E. Hulac, the Secretary, to visit the campus December 11 and 12, 1973. They have set aside the entire afternoon of Wednesday, December 12, beginning at 1:30 P.M., in the Main Lounge of the Campus Center, for conversations with UP students about the form and content of the examinations. THIS IS AN IMPORTANT OPPORTUNITY for seniors to learn about the examinations in Worship, Polity, Biblical Exegesis and Theological Capability; and for Middlers to learn about the examination on the English Bible. Students will be able to raise questions and make suggestions, with the assurance that those who make policies in this area will be listening. The formal presentation will be made at 1:30 P.M., followed by an open forum. Dean Arthur M. Adams.

THE WOMEN'S CENTER: There are several overdue books out of the Women's Center Library. Please return them immediately, so that someone else gets a chance to read them. Beginning December 10 there will be a five cents fine per day for overdue books. Marti Bellinger

STUDENT COUNCIL NOTICES:

CONCERNING TEXTBOOKS: To help facilitate the procedure of acquiring textbooks for next semester, we would like to outline the procedure and offer suggestions to the Seminary community that would help the bookstore. As outlined by Jeff Wright, the TBA manager, this will be the procedure for the ordering of texts this next semester:

1. The faculty are to give to the bookstore the texts they will be using in their courses, with an estimate of the enrollment. An estimate of the enrollment is necessary, since registration is later this year than in previous years.

2. After registration, the actual student enrollment per course will be known, so the ordering adjustments can be made.

3. If the student does not find the book she/he needs at the beginning of the semester, she/he should file out a special order card for that book.

Ways to help this process:

Faculty:

1. Turn in textbook lists soon.
2. If there are no required texts, please prioritise the books pertinent to the course or valuable for an individual's library. This way the bookstore can have a better idea on how many books, not required for course, need to be ordered.

[continued, page 5.]

Students:

1. Buy texts early in the semester, even those which you won't be using until late in the course. This way the bookstore won't think they have an overstock of a certain book and send too many back before they are needed.
2. Fill out special order cards when the text you need is not in the store. This gives an idea of the number of books needed.

In addition: Students should note that the $75 maximum charge during textbook time will be more strictly enforced this semester. Therefore, it would be wise to pay bills remaining from the first semester soon. We hope this explanation of ordering procedures and suggestions will help it run smoothly this semester.

COACHES' CORNER

VOLLEYBALL ACTION moved closer last week to the big showdown this week between Cookie & Co. and the Sacrificial Lambs, as both teams picked up their third straight wins. COOKIE & CO. demolished the Leaping Gnomes, 15-3, 15-9, 15-9, in the first contest of the night; and then the Lambs cleaned up on the Losers, 15-11, 15-9. We must hand it to both teams for the exceptional play of their women. Especially the female players of the Lambs have stood out, and it would seem to this reporter that they have been the reason for their success so far. In the third game, Runt and the Rest beat the Underhanders, 15-12, 15-9.

FLASH!! It has been reported by Dr. H. Anderson, who lives rather frustratedly next to the gym door, that Cookie & Co. have been holding secret 8 A.M. practice sessions in preparation for this week's game. Dr. Anderson would rather have peace & quiet.

Now's the time to get your intramural basketball teams together. You must have at least 8 on a squad. There are no restrictions as to dorms. GET YOUR ROSTERS IN to Mark or Dave by Christmas recess. Mark & Dave

COACHES' CORNER

Sports fans! There's a lot of action to cover from last week, so we'll get right down to it.

Tuesday night was the fourth week of our intramural volleyball season, and we had some good games. In the first contest, the Underhanders eked out a victory over the Leaping Gnomes, 15-10, 11-15 and 15-10. Asked, after they had lost the second game of the match, what the team's major weakness was, Coach BOB VANDER KAPPELLE replied, "The whole team!" Asked again, after the victory, what their major strength was, Bob said honestly, "Our women."

In the second match, the Losers beat the Runt & the Rest by the close score of 15-11, 16-14. At this time an investigation is taking place over elleged violation of the rules for eligible players. MALCOLM LAING, the coach, could not be reached for comment.

The big contest for first place was last. Highly psyched-up Cookie & Co. scored a fairly easy win over the Sacrificial Lambs. MARK LAASER and DAVE VANDER ZWAAG were selected as STARS OF THE GAME by a vote of two athletic directors to none.

The annual Advent Classic THREE-MAN BASKETBALL TOURNAMENT was held last Thursday night. We had an enjoyable but exhausting evening, two and a half hours of B-ball. We figure that the majority of teams played about two regulation length games' worth. Last year's winners, JEFF NASLUND and CULLEN HAROLD added a new player, MIKE LIVINGSTON, and took home first prize again. Asked why he had added Livingston to the roster, Naslund replied that a high athletic official had suggested anyone so thoroughly scouted by so many of the majors would be a help. In second place was the team of SCOTT PATTERSON, MASON SHEMBECK and CLIFF CAIN. All the teams played well and the level of competition was much higher this year than in the past. This year's GALLANT EFFORT AWARD goes to the team of ED HARDWICK, BOB SCOTT and BLAKE HEFFNER, who provided inspiration for us all.

The deadline for submitting your INTRAMURAL BASKETBALL ROSTERS is coming up fast. We are looking forward to a great year, with paid refs and a lot of fun. Please get your lists to Dave or mark BEFORE CHRISTMAS VACATION. Mark and Dave.
